

**How did those
labor unions
get there?**

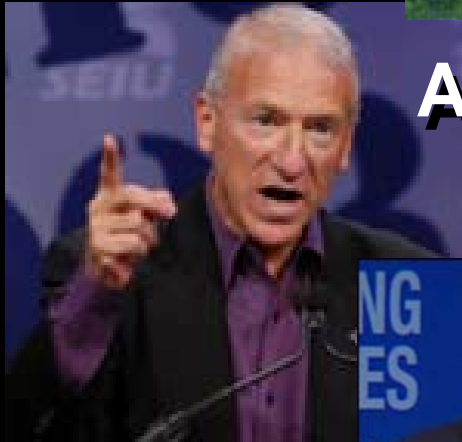

It's the story of the Blue/Green Working Group

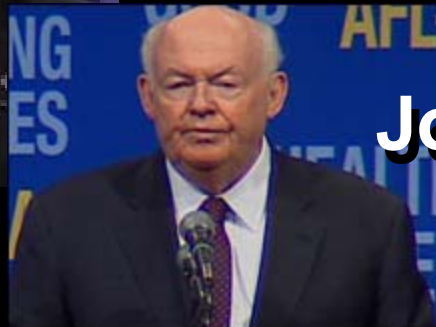

Carl Pope, Sierra Club

John Adams, NRDC

**Andy Stern – Service Employees
International Union**

John Sweeney, AFL-CIO

The Blue/Green Working Group started in 1992 at the kitchen table of

**Andy Stern – Service Employees
International Union**

and his **wife**

**Jane Perkins, President of
Friends of the Earth**

During the 2004 Election they all worked together

**Steve Rosenthal, AFL-CIO -
best Get Out The Vote campaign
manager in the labor movement**

**Ellen Malcolm, head of EMILY's List -
Biggest Political Action Committee
in America**

**Carl Pope, Sierra Club –
long-time ally with a huge
following and a 700,000-
name mailing list**

They were tied in with the Democratic Presidential Election

**America
Coming
Together**

**Biggest
527 group
\$23 million**

**Ellen Malcolm
President**

Harold Ickes

Carl Pope

Trustees

**Steve Rosenthal
CEO**

**George Soros
Pledged \$10 million**

And they were tied in with the Apollo Alliance

**23 unions, 5 green groups, and
alternative energy groups proposed a 10-year
"Marshall Plan" to create 3.3 million jobs
"for clean energy"
and the elimination of fossil fuels.**
