There is another family of Cooleys living here, though
so far as we know, no relation. However, the original
George Cooley, one of the first settlers in Brownsville,
came from Virginia, as did my grandfather. His son,
William Curren Cooley still lives here.

This is in Oregon

* Note: The reason I ask about your own family
is that I may distinguish them from two
other families of Cooleys I have found who
live in Oregon.

If you have any old records could you
write year of birth after the names
of your uncles & bro. & sisters? Thanks very
much.
