My dear Mrs. Tallant:

Replying to your query of recent date.

Find in the early taxlists of Madison County, that in 1822 which is the date you give of your grandfather's birth, that there were two listed under the Cooley name - James Cooley & Daniel (Samuel?) Cooley, the second name is somewhat indistinct and might be either Daniel or Samuel, the tax lists of later dates give Samuel so rather imagine that this first is Samuel too.
