Dear Mrs Fallant

I will answer your letter after so long hope you will pardon me I have tried to find some information for you but sorry to say I haven't gained any thing of any value to you I don't know of any one who has any records ~~of~~ of the older generation of Cooleys it seems that all the ones that might have known any thing about them are gone and the younger ones just know what they have heard the older ones tell about and that isn't far back but we think this Mr Aaron Cooley was called Aaron by the family and neighbors and remember of them both dying at the same time

and that he married a Hovious but the
old generation of Hovious's are all gone
and the younger ones doesn't seem
to know any thing about this the
same way are the Fishers

This Hoaks Ferry you ask about
is now called Hoaks Ford it might
have one time been a Ferry it is
on Green River near the Fisher
place just a place to cross River
called Hoaks Ford The nearest Post Office
to that place is Holmes Ky it is in
Adair now but I have heard that back
Adair and Taylor used to be the
same. sorry I cant tell you anything
about this will write you again if I
ever learn any thing that would help
you any
yours sincerely
Mrs Ethel Russell
