Mrs Edward Tallant
Santa Barbara, Calif

Dear Mrs. Tallant:-

Your letter to W^m Cooley fell into my hands and I'll try to answer to the best of my ability. I believe you are on the right track as I have every reason to believe we are related. W^m Cooley was my uncle, he has been dead for 2 or 3 years. He was a brother to my father and his name was John.

My father and all of his brothers are dead, he had one sister and she has passed away also. Her name was Mary and she married Green Lawson - she had lived in the west, I believe it was Oregon but at the time of her death she was living in Eldorado Springs, Mo.

I will ~~just~~ make this letter brief as I will soon be in Calif. My husband & son & I are leaving here Friday (July 22) for the Western coast - we will make our home in or near Los Angeles and we will come to Santa Barbara to see you and then we can talk much better than write. This will be our fourth trip to Calif and we are hoping this time we will stay.

We will surely see you sometime within a month or so.

Sincerely yours

Mrs. Carl Gleason

formerly Anne Cooley.
