Mrs. Edward C. Tallant,
Santa Barbara, California.

Dear Mrs. Tallant:

I have received two letters from you recently asking for information in regard to the Coohy family. I have known some members of that family and they are distantly related to me on my mothers side, who was a daughter of Thomas Hardwick. My mothers oldest sister was Mariah Hardwick, first husband was ^{Reuben Mar. Dec. 23rd 1830 Ray Co Mo.} a Cooley. I have not been able to find his given name. There was one daughter by that marriage, who has been dead for some years. She afterward married a Clements and has one son living in the south part of the State. I will try and get in touch with him and will also make a trip over to Malta Bend and see Mrs Hill, she is my first cousin, is quite old and may be able to give me some information. I will also make a trip to the Cary grave yard and find out what I can for you. All of my mothers relatives are burried in that grave yard. I will attend to this in a short time and write you at once and let you know what I have found.

Very respectfully

C. J. Jacobs
