Dear Mrs Tallant:

I'm sorry I cannot furnish you any more information as I do not have any records of the Cooley family.

I have found out that Nathan Cooley is the son of John Cooley. I do not know if he lived in Howard or Macon County.

Mrs Clara Eaton lives (or did live) in Union Oregon instead of Eugene Oregon.

I never heard of any cousins in Howard or Macon County.

Grandfather had only one sister that I know of. Her name was Maria. She married a man by the name of John ^{Will H Robbins for a time} ~~Robinson~~. They separated and then she married ^{for a time} a man by the name of Martin Hill. They had no children, and both are dead.

(over) Sincerely yours
Mrs Blanch McAdoo

Arthur Keryan wrote that
Martin Webb Mariah's 3rd hus was
brother of his sister's father-in-law,
uncle to his own brother-in-law.

That Mariah Cooley mar 1st Will H. Robbins

and Mariah mar 2nd Henry Marshall - no ch.
then 3rd mar Martin Webb.
